A Partner from the start

WestImmo is a bank that specialises in commercial real estate financing and structured real estate transactions. With 13 offices in 8 countries, we stand for:

A passion for real estate – We finance offices, retail properties and shopping centres, hotels, logistics facilities, public institutions and residential property. Our customers include institutional investors, global developers, property companies, real estate corporates and small and medium-sized businesses.

Convincing ideas – In addition to financing, we offer our customers a comprehensive spectrum of other products at property, project or portfolio level including syndications and instruments for hedging interest rates and exchange rates.

An international presence – We are one of the leading real estate financiers in Germany and Europe and enjoy a strong presence in western, central and eastern European markets as well as North America and Japan.

Local efficiency – WestImmo is proud of its customer orientation, reliability, flexibility and short decision paths. We have dedicated offices in our key markets.

Comprehensive expertise – Our decisions are based on a comprehensive knowledge of markets and products; we attach particular importance to country-specific know-how and extensive research.

Success as a team – Co-operation with WestImmo brings savings banks many advantages. We complement the product range of our alliance partners and boost their ability to finance even high-volume projects.

Reliability at all times – We believe in maintaining steady, long-term relationships with our customers. As a Pfandbrief bank and underwriter of other issues, WestImmo also has a reputation on the capital markets for quality and security.

Competent partner – with 450 employees and total assets of approximately € 24 billion (as of 30 June 2011) WestImmo is one of the leading real estate finance providers in Germany.
